

HEROES COME AND GO, BUT LEGENDS ARE FOREVER.

Dear Nedved,

As we say goodbye, we can't help but feel a heavy heart. Your leadership has been nothing short of extraordinary, and we have been truly blessed to have had you at the helm. Your unwavering commitment to excellence and your unshakable integrity have set the standard for us all.

You have been a guiding light and a beacon of hope in times of uncertainty, always leading by example and showing us the way. Your passion to build Digital Technology has been contagious, and we have been honored to stand by your side as we achieved great things together.

We will forever be in your debt, and your legacy will live on in the hearts and minds of all those who have had the privilege of working under your guidance. We wish you all the best in your future endeavors and know that you will continue to make a positive impact on the world.

Great appreciation to trust and gave us the opportunity as well of the BTC2CTC relocation programme, we knew you choose us for a reason, we love you Nedved!

Farewell, dear leader. You will be greatly missed, but never forgotten

Sincerely, Digital Technology folks
